

BUILD WITH PEACE OF MIND

PROVEN DELIVERY

- We are one of New Zealand's largest and most successful residential building companies.
- Established in 1997, we've been building homes for over 27 years.
- To date, we've built close to 7,000 homes and \$600m worth of residential developments.

SPOILT FOR CHOICE

- Choose from a range of 200+ architecturally designed plans.
- We offer expert design advice from colour consultants, landscape gardeners and interior designers.

FIXED PRICE GUARANTEE

- The price we quote is the price you pay. Once you have chosen your plan and variations, we offer a fixed price that doesn't change.

- You can select from a standard or lite landscaping purchase, or customise your landscaping to meet your needs.
- Of the 7,000 homes we have built to date, 100% were built for the price we promised.

QUALITY ASSURED

- To date, we've won 9 Master Builder quality awards.
- Our national supplier and contractor agreements guarantee quality delivery, ensuring the quality of our builds are consistent from one home to the next.
- All of our homes are backed by a 10-Year Residential Build Guarantee.
- Generation Homes has a strong commitment to work closely with our suppliers/contractors and always pay them on time.
- This means we can work with the best in the industry to provide you with the assurance that your build is in good hands.

MAKING IT EASY WITH AN AGREED MOVE-IN DATE

- Every house we build comes with an agreed move-in date, making it easy to get on with planning your move.
- 97% of our completed homes were delivered on the day we promised.
- Our average build time is 16 weeks from foundations.

LOCAL EXPERTISE, NATIONAL CLOUT

- We're not a franchise, we're jointly owned by your local Generation team and Generation Homes NZ – a \$100m company.
- So if something goes wrong you'll have the backing of an established national organisation. We have never failed to complete a house.

WE'RE GOOD COMMUNICATORS

- We listen and help you choose the right home for you and your family.
- We have established reporting systems that will keep you informed of what's happening, every step of the way.
